General Prayer Points for All Students

In addition to the specific prayer points listed in this booklet, our exiting students have the following general prayer requests:

- Thank God for all he has done for us in sending Jesus to die for us! Please pray that our exiting students and their families will continue to grow in the knowledge and love of God and that they will be good examples to those they are serving. Ask that they will be prayerful both in good times and bad.
 - Please join our exiting students in giving thanks to God for their time at College and the opportunity to learn more of God's amazing grace and be transformed more into his likeness. Thank God for the lecturers who have taught and cared for them and the joys of being part of the College community. Give thanks for the wonderful friendships that have been formed and pray that those friendships will be a lasting support throughout their ministry.
 - Please pray for the logistics involved in moving during December and January. Pray that moves will go smoothly and especially pray for those looking for suitable rental accommodation.
 - Pray that people will settle in well to their new locations and especially that children will settle quickly in their new schools and pre-schools. Pray that friendships will be quickly established in the church and the local community.
 - Please pray for consistent patterns of Bible reading and prayer, particularly in the midst of the disruption of moving and starting new jobs. Pray that exiting students and their families will delight in God's word and eagerly study it.

Notes

Students are listed in this booklet by the course they have completed and then in alphabetical order. Under each student's name, we have listed what the student will be doing next year and then some specific things they would like you to pray about for them.

Women exiting one year diploma courses at the end of 2010, but staying on with their husbands while they complete their courses, are listed at the end of the one year Diploma exiting students.

While we have done our best to be up to date, some details may have changed since these prayer points were gathered.
