Prayer

Please praise & thank God:

- > for the students, their humility in learning & enthusiasm to serve
- > for over 7000 external studies students & for progress in the on-line learning environment
- > for 15 mission teams that partnered with churches in Australia & Overseas
- > for graduates serving in Sydney, Australia & the world
- > for the Centre for Christian Living that is helping people to follow Jesus in all areas of life

Please pray:

- > that College remains faithful to the gospel of our Lord Jesus Christ in everything it does
- > for those who heard the gospel from the mission teams
- > that students will be well-equipped for the ministries God leads them into
- > that many people consider studying at Moore in 2012
- > for wisdom for the future development of the College
