

Thank you for using Covenant Eyes. I appreciate your desire to continue using Covenant Eyes by starting your own account. I will set up a new account giving you the first 30 days free. I will move your current username and password into the new account.

You will have the same Accountability Partners and nothing will change except the billing will now be your responsibility. If you would like to add more users to your account who are not already Covenant Eyes users please email me at [morgant@covenanteyes.com](mailto:morgant@covenanteyes.com). I will send you a form to fill in their information and I will add them to your account. I will email the new users the download instructions. I will let you know when they have been added.
