# Preliminary Theological Certificate

## About the PTC

The Preliminary Theological Certificate (PTC) is an affordable, unaccredited course on the biblical, theological and historical foundations of the Christian faith.

The PTC helps everyday Christians deepen their knowledge of God's word and increase in confidence to teach others.

**“ I have enjoyed doing the PTC units and have been better equipped to explain the Bible as I lead Bible study or read the Bible with other women. ”**

**Vanessa**

## What you will study
