General Prayer Points for All Students

In addition to the specific prayer points listed in this booklet, our exiting students have the following general prayer requests:

- **Thank God for all he has done for us in sending Jesus to die for us!** Please pray that our exiting students and their families will continue to grow in the knowledge and love of God and that they will be good examples to those they are serving. Ask that they will be prayerful both in good times and bad and for those that are married, pray that God will preserve their marriages in the midst of the busyness of ministry.
- Please pray for **consistent patterns of Bible reading and prayer**, particularly in the midst of the disruption of moving and starting new roles. Pray that exiting students and their families will delight in God's word and eagerly study it.
- Please join our exiting students in giving **thanks to God for their time at College** and the opportunity to learn more of God's amazing grace and be transformed more into the likeness of his Son, the Lord Jesus Christ. Thank God for the lecturers who have taught and cared for them and for the joys of being part of the College community. Give thanks for the wonderful friendships that have been formed and pray that those friendships will be a lasting support throughout their ministry.
- Please pray for the logistics involved in moving during December and January. **Pray that moves will go smoothly** and especially pray for those looking for suitable rental accommodation.
- Pray that people will settle in well to their new locations and especially that children will settle quickly in their new schools and pre-schools. Pray that friendships will be quickly established in the church and the local community and **pray for many opportunities to share the good news of Jesus**.
